2016年,留学生教育教学内涵建设成果显著。在做好校级全英文精品课程储备的基础上,推荐《药理学》成功申报"江苏高校省级外国留学生英文授课精品课程",将我校省级全英文精品课程数扩充为2门;推荐《系统解剖学》成功申报"第二期来华留学英文授课品牌课程",为我校首门国家级全英文品牌课程。至此,我校已初步建成校级、省级和国家级全覆盖的全英文精品课程体系,标志着我校英文课程建设达到了新的高度。全国第一支全英文SP队伍的建设已日臻成熟,SP已应用于留学生多门课程及临床实习中期考核、毕业技能考核环节,深受留学生欢迎。留学生教学质量显著提高,学生学习效果斐然,留学生首次参加校临床技能大赛即获得获得好成绩,在临床实习中期检查中,表现可圈可点,获得考核专家的一致好评。

In 2016, we have made outstanding achievements on connotation construction of education and teaching for international students. On the basis of constructing English excellent courses, we have recommended "Pharmacology" to be selected into English Excellent Courses of Jiangsu Province which is the second province-scale English excellent courses of the university. "Systematic Anatomy", which has been selected into the 2<sup>nd</sup> Group of Brand Course in English-Medium Resource for International Students in China, is the first national brand course in the university. Up to now, our university has completed the tentative construction of English excellent course system with three levels, the national and the provincial and the university level, which marks the new height of the English teaching courses construction in our university. The English-medium SP (Standardized Patient) team, which is the first in China, is growing stronger and more mature. SP has been applied to mid-term examinations of many courses, clinical internship and skill assessment on graduation, which is favorably accepted by international students. There is remarkable improvement on the quality of education and teaching for international students and as well on the learning effect, which is demonstrated by the great result of the international students' participating in the NMU Clinical Skill Competition for the first time and the praise from experts about their performance in the clinical internship mid-term examination.
